CALIBRATION

Any make • Any model • Any instrument • Any age

**3 DAY
PROMISE**

What can you expect from us?

- ▶ Speedy 3 day calibration promise
- ▶ Full calibration certificates
- ▶ Competitive prices
- ▶ All makes and models calibrated

Return your electrical test equipment to us for calibration and we will dispatch it back to you within 3 working days— and that's a promise!

We are so sure that your equipment will be on its way back to you within this time that your calibration will be free if it isn't.

We realise how important it is for you to have your equipment with you and therefore we aim to minimise your down time as much as we can.

Simply send your tester(s) with the form on the back of this leaflet. Terms and conditions apply.*
